Completing MTA when following this major guide will satisfy OU's transferrable General Education requirements.

Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):

- ENG 160 (required prerequisite for coursework at OU)
- One MTA Approved English Composition or Communications course
- One MTA Approved Math course (can be satisfied by MATH elective options above)

- One MTA Approved Social Sciences course (can be satisfied by SOC 102)
- Two MTA Approved Humanities or Fine Arts courses (can be satisfied by taking COM 101 and FRL 160)

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. - Writing Foundations (ENG 160)
- Formal Reasoning (MATH 160 or MATH 220)
- Arts
- Language and Culture (FRL 160)
- Global Perspective
- Literature
- Western Civilization

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

NOTES:

Students may transfer an unlimited amount of credit from KVCC, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their KVCC academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
