

Bachelor of Science in Applied Health Sciences

Have already completed the course requirements for and earned the Associate of Applied Science degree in a health-related field from an accredited community college or other institution of higher education:

- *Students who hold an AAS degree in another field must seek permission to enroll from the Applied Health Sciences Program Coordinator.*

Submit official transcripts showing AAS degree and all coursework completed with a minimum 2.0 GPA. Concurrent enrollment in a community college AAS program and Oakland University's AHS program is not permitted.

There are four concentrations within this major program: Health Care Leadership, Health Promotion, Orthotics and Prosthetics Assistant Studies, or Radiologic Technology Leadership. More details about course requirements can be found in the [catalog](#).

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Kellogg or at the [Kellogg MTA Approved Courses](#) website. In order to completely satisfy OU's transferable General Education requirements when following this major guide, please reference the [Kellogg General Education Transfer Guide](#) and complete the courses that satisfy the following requirements:

- Writing Foundations (take ENGL 152 or 152H)
- Knowledge Applications (can also be satisfied by completing the Health Care Leadership Track at OU)

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [Kellogg General Education Transfer Guide](#) for the Kellogg courses that satisfy these specific OU General Education categories:

- Writing Foundations (take ENGL 152 or 152H)
- Formal Reasoning
- Arts
- Language and Culture
- Global Perspective
- Literature
- Western Civilization
- Knowledge Applications (can also be satisfied by completing the Health Care Leadership Track at OU)

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

NOTES:

Students may transfer an unlimited amount of credit from Kellogg, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Kellogg academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
