Nutrition Major Options

Oakland University Options	Student Choices
Choose elective courses from the list	Many course options are available: discuss electives and your career goals with an OU adviser
Choose the Dietetics specialization ; which prepares students for a career in nutrition and dietetics through specialized coursework and experiential learning activities.	Earn a B- or higher in NTR 2500 at OU in addition to completing a competitive application process.

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Kellogg or at the [Kellogg MTA Approved Courses](#) website. Completing MTA when following this major guide will satisfy OU's transferrable General Education requirements.

Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):

ENGL 151 or 151H

One MTA Approved Social Sciences course (can be satisfied by completing PSYC 201/H and SOCI 201/H))

Two MTA Approved Humanities or Fine Arts courses

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [Kellogg General Education Transfer Guide](#) for the Kellogg courses that satisfy these specific OU General Education categories:

- Arts
- Language and Culture
- Global Perspective
- Literature
- Western Civilization

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their [website](#) for more information regarding your major program.

NOTES:

Students may transfer an unlimited amount of credit from Kellogg, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Kellogg academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
