

Bachelor of Science with a major in Human Resource Development

Students should consult with an Oakland University adviser when planning to major in Human Resource Development (HRD). No community college courses can be used in the HRD major core and major focus area categories. Students majoring in HRD are encouraged to earn at least 52 transferable credits at the community college, which ideally consist of completing general education coursework and elective credits.

Below are the two options available for satisfying Oakland University's General Education requirement. Choosing which way to go can depend on a variety of things such as previously completed coursework and the timing of transfer. For details on which option may be best for your situation, please consult with an OU academic adviser.

OPTION #1: Completing OU's General Education requirement when transferring with MTA or MACRAO

In many cases it is to a student's advantage to complete the MTA agreement to fulfill OU's General Education requirement (please confirm courses to take to fulfill the agreement with your Kirtland academic adviser). When transferring MTA or MACRAO, you must also satisfy the Knowledge Applications category from the table below (#10).

OPTION #2: Completing OU's General Education requirement by individual category

For this option, each of the below categories must be fulfilled by completing at least one course of 3 or more credits. A course may not be used in more than one of the categories numbered 1-10. Students majoring in HRD satisfy the US Diversity category for OU General Education requirements by completing HRD 3530 at OU.

Students may transfer an unlimited amount of credit from Kirtland, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Kirtland academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.
