

Bachelor of Fine Arts with a major in Theatre Design and Technology

MAJOR REQUIREMENTS

| Oakland University Courses | Macomb Community College Options |
|---|----------------------------------|
| One studio art course is required for this major; it must be selected in consultation with OU Theatre department adviser | |
| Additionally, courses that transfer to OU as ART or AH may count toward the 12 required major elective credits (confirm options with OU Theatre department adviser) | |

Students may transfer an unlimited amount of credit from Macomb, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit the transfer credits that can be used toward requirements, **it is highly recommended that students work with both an OU (school/college) academic adviser and their Macomb counselor to maximize the applicability of coursework to specific requirements.**

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at MCC or at the [MCC MTA Approved Courses](#) website. To best complete OU's transferable General Education requirements, please reference the [MCC General Education Transfer Guide](#) and take the following:

- One course from OU's **Writing Foundations** category
(*this serves as an **MTA English Composition** course and is a prerequisite for coursework at OU*)
- One course from OU's **Knowledge Applications** category

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [MCC General Education Transfer Guide](#) for the MCC courses that satisfy these specific OU General Education categories:

- | | |
|------------------------|----------------------------------|
| - Writing Foundations | - Natural Science and Technology |
| - Formal Reasoning | - Social Science |
| - Language and Culture | - Western Civilization |
| - Global Perspective | - Knowledge Applications |
| - Literature | - U.S. Diversity |
