MCC and OU currently have an [articulation agreement](#) that allows students to transfer in more credits than usual. Meet with an MCC academic adviser to learn more about this opportunity.

## **NOTES:**

Students may transfer an unlimited amount of credit from MCC, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their MCC academic adviser to maximize the applicability of coursework to specific requirements.**

Students must have a minimum GPA of 2.8 in order to be admitted to major standing in Elementary Education. Students with a GPA of 2.5 will be considered for admission to OU.

For Elementary Education program information, contact School of Education and Human Services Advising by calling (248) 370-4182 or visiting the [SEHS Advising website](#).

This document may be modified in the event of program or Michigan Department of Education certification changes.

## **TALKING POINTS:**

The Elementary Education program prepares students to earn a Bachelor of Science degree in Elementary Education and recommendation for a Michigan Teaching Certificate.

Passing scores on Michigan [Tests for Teacher Certification](#) (MTTC) are required for Michigan Teaching Certification. Learn more about [Educator Certification](#), which OU graduates complete after their student teaching and receiving passing MTTC scores.

Elementary Education students complete [field experiences](#) in local elementary schools while they are in their professional education classes. Students will experience breadth, depth, and diversity of grade levels and communities in their field placements.

Information about scholarships in SEHS and Education can be found online on the [SEHS student resources website](#). To qualify for scholarships, students need an established Oakland University grade point average.

[Student organizations](#) at OU for future educators include the Aspiring Educators of Michigan, Best Buddies, and Kappa Delta Pi International Honor Society in Education.
