TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at MCC or at the MCC MTA Approved Courses website. In order to completely satisfy OU's transferable General Education requirements when following this major guide, please reference the MCC General Education Transfer Guide and select one course from OU's ***Knowledge Applications*** category.

Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):
ENGL 1181 or 1211
ENGL 1190 or 1220 (required prerequisite for coursework at OU)
One MTA Approved Social Sciences course
Two MTA Approved Humanities or Fine Arts courses

TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the MCC General Education Transfer Guide for the MCC courses that satisfy these specific OU General Education categories:

- Writing Foundations (ENGL 1190 or 1220)
- Arts
- Language and Culture
- Global Perspective
- Literature
- Western Civilization
- U.S. Diversity
- Knowledge Applications

MCC and OU currently have an articulation agreement that allows students to transfer in more credits than usual. Meet with an MCC counselor to learn more about this opportunity.

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their website for more information regarding your major program.

NOTES:

Students may transfer an unlimited amount of credit from MCC, and must complete a minimum of 30 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their MCC academic adviser to maximize the applicability of coursework to specific requirements**.

The program also offers a unique **Orthotist and Prosthetist Assistant Studies (OPA) concentration**, which equips students with the skills needed for one-on-one patient care under the direction of a certified orthotist or prosthetist. **Students interested in this concentration can also transfer HHSC 1700 from MCC to OU**. The program also offers a concentration in Applied Exercise Physiology.

OU's ECLIPSE program, a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.
