TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):
When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at MCC or at the MCC MTA Approved Courses website. Completing MTA when following this major guide will satisfy OU's transferrable General Education requirements.

Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):
(ENGL 1181 or 1211) **and** (ENGL 1190 or 1220) (required prerequisite for OU coursework)
One MTA Approved Natural Sciences course
One MTA Approved Math course
Two MTA Approved Humanities or Fine Arts courses

TRANSFERRING WITHOUT MTA:
If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the MCC General Education Transfer Guide for the MCC courses that satisfy these specific OU General Education categories:

- Writing Foundations (ENGL 1190 or 1220)
- Arts
- Global Perspective
- Language and Culture
- Literature

NOTES:

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email shs@oakland.edu, or visit their website for more information regarding your major program.

Students may transfer an unlimited amount of credit from MCC, and must complete a minimum of 30 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their MCC academic adviser to maximize the applicability of coursework to specific requirements**.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's ECLIPSE program, a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
