### Nutrition Major Options

Oakland University Options	Student Choices
Choose <b>elective courses</b> from the <a href="#">list</a>	Many course options are available: discuss electives and your career goals with an OU adviser
Choose the <a href="#">Dietetics specialization</a> ; which prepares students for a career in nutrition and dietetics through specialized coursework and experiential learning activities.	<b>Earn a B- or higher in HEA 1510</b> in addition to completing a competitive application process.

### TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your counselor at OCC or at the [OCC MTA Approved Courses](#) website. Completing MTA when following this major guide will satisfy OU's transferrable General Education requirements.

#### **Additional course requirements for MTA when following this major guide**

**(min 30 credit hours required for MTA):**

ENG 1510 **or** COM 1600

One MTA Approved Social Sciences course (can be satisfied by completing PSY 2510 **and** SOC 2510)

Two MTA Approved Humanities or Fine Arts courses

### TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [OCC General Education Transfer Guide](#) for the OCC courses that satisfy these specific OU General Education categories:

- Arts
- Language and Culture
- Global Perspective
- Literature
- Western Civilization

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email [shs@oakland.edu](mailto:shs@oakland.edu), or visit their [website](#) for more information regarding your major program.

## **NOTES:**

Students may transfer an unlimited amount of credit from OCC, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their OCC counselor to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.
