NOTES:

Students may transfer an unlimited amount of credit from Schoolcraft, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Schoolcraft academic adviser to maximize the applicability of coursework to specific requirements.**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's [ECLIPSE program](#), a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

The EHS undergraduate program is [accredited](#) by the applied science accreditation commission of ABET nationwide.

OU's EHS program boasts a job placement record of nearly 100 percent; students routinely receive job offers before graduation. More information is available on the [program website](#).
